EDUCATION

Degree	Institute/Board	CGPA/Percentage	Year
B.Tech (CSE)	Graphic Era Hill University, Bhimtal	8.74	2021 - present
Senior Secondary	CBSE	78.16	2021
Secondary	CBSE	93.4	2019

INTERNSHIP

- Flutter developer intern**

Apr 2024 - Nov 2024

TechSteps

 - Created and redesigned user interface components to improve functionality and user experience.
 - Developed comprehensive information screens and resolved language persistence issues across the application.
 - Utilized tools like Jira, Bitbucket, GitHub, and SourceTree for seamless project management and version control.
 - Used Flutter DevTools to optimize application size and improve performance.
 - Contributed to an application currently used by 100+ users on Google Play.

PROJECTS

- Women Safety App**

Feb 2024 - Jun 2024

Mini Project / Dart / Flutter

 - Designed and built a mobile safety application for women, providing essential tools such as an emergency contact feature, location sharing, and real-time alerts to enhance security.
 - Assembled, tested, and configured the app, focusing on user accessibility, with attention to cross-platform compatibility for both iOS and Android.
 - Incorporated feedback from potential users to refine the user interface and optimize the app for ease of use.
- Recommendation System**

Aug 2023 - Jan 2023

Mini Project / Python / Jupyter

 - Created a website that recommends movies based on user searches, with advanced filtering for personalized results.
 - Developed a recommendation algorithm analyzing over 10,000 titles and user preferences.
 - Integrated movie database APIs (e.g., TMDb) and optimized for performance to ensure fast data handling.

TECHNICAL SKILLS

- Languages | Frameworks:** C++ | Flutter | Dart | HTML | CSS | SQL
- Softwares and Tools:** VS Code | IntelliJ IDEA | Codeblock | Android Studio | MySQL workbench | postman API

SOFT SKILLS

- Team work | Creativity | Time management | Adaptability

RELEVANT COURSEWORK

- Programming in C++ | Operating Systems | Data Base Management System | Data Structure and Algorithms | Software engineering

EXTRACURRICULAR ACTIVITIES

- Hackathon Participant**

Vinove Hackathon

 - Developed a **Location Tracking App** with real-time location tracking features.
 - Designed a user-friendly interface and successfully implemented real-time tracking for enhanced user experience.
- College Basketball Team**

captain

 - Guided the team to enhance performance and unity.
